

ART VOCABULARY & RESOURCES

Jargon. It is specific language of a certain subject. And it is an important part of the work of a CLIL teacher as it is to be aware of the student's language skills and the specific classroom language used for instructions or management. Here you will find a list of links very useful for any bilingual Art teacher.

QUIZLET

During the course a group of teachers prepare some Art vocabulary sets using this amazing learning tool that helps teachers engage students. It includes flashcards, study and game modes. It is absolutely worth having a look. Here you can find some examples:
